Dear Parent/Teacher/Student

Thank you for inquiring about a travel program with ISE. We have an exciting experience in Costa Rica for your group. Welcome to the ultimate educational travel adventure.

For 40 years, ISE has helped students enjoy exciting, enriching, safe experiences all over the world with our travel groups. Your travels to Costa Rica with ISE are designed and organized to immerse students in a new and different culture, give them a new perspective, and open up new possibilities in their lives.

The adventure begins the moment you arrive in Costa Rica, starting with family stay, where students learn to cook, dance salsa, and play in a community *fútbol* game! Then your certified naturalist guide leads you on a waterfall hike and a visit to a traditional *Maleku* village. A stop at a typical Tico school and a day at the beach wrap up your time in this tropical paradise. An expert in Spanish language and Costa Rican culture serves as guide throughout the program.

Here's a sample of your schedule. Your actual itinerary may vary slightly; it will be assigned by ISE in accordance with the family stay community. Daily activities will be chosen by the group leader(s).

You can find additional information on our website, www.isemn.org

We say that ISE programs are "where language matters." That's because we share your passion for language and culture. And it's the reason why language skills are an essential component of any ISE travel experience. Not all travel programs place this kind of emphasis on language, but we think it makes the entire experience abroad richer and more meaningful for students.

Once again, thank you for your interest in ISE. We look forward to working with you.
