Dear Parent/Teacher/Student,

Thank you for inquiring about a travel program with ISE. We have an exciting adventure in France for your group. Welcome to the ultimate educational travel adventure.

For 40 years, ISE has helped students enjoy exciting, enriching, safe experiences all over the world with our travel groups. Your travels to France with ISE are designed and organized to immerse students in a new and different culture, give them a new perspective, and open up new possibilities in their lives.

C'est magnifique! What could be more thrilling than arriving in the City of Lights? And you'll have a chance to explore it all, from Louvre to Notre Dame. Enjoy a few days of *vie en famille* in your home stay community. And then one last day in Paris before you bid *au revoir* to France.

Here's a sample of your schedule. Your actual itinerary may vary slightly; it will be assigned by ISE in accordance with the family stay community. Daily activities will be chosen by the group leader(s).

You can find additional information on our website, www.isemn.org

We say that ISE programs are "where language matters." That's because we share your passion for language and culture. And it's the reason why language skills are an essential component of any ISE travel experience. Not all travel programs place this kind of emphasis on language, but we think it makes the entire experience abroad richer and more meaningful for students.

Once again, thank you for your interest in ISE. We look forward to working with you.
