Dear Parent/Teacher/Student,

Thank you for inquiring about a travel program with ISE. We have an exciting adventure in France for your group. Welcome to the ultimate educational travel adventure.

For 40 years, ISE has helped students enjoy exciting, enriching, safe experiences all over the world with our travel groups. Your travels to France with ISE are designed and organized to immerse students in a new and different culture, give them a new perspective, and open up new possibilities in their lives.

What could be more exciting than the South of France? There is so much to see! Medieval cities, museums, nature, great food, friendly people and more. Your group will enjoy *la vie provençale en famille* amid the countryside that inspired Van Gogh and Monet. You might even find yourself dancing *sur le pont d'Avignon*. Then the TGV whisks you to Paris for more sights and a cruise on the Seine. An expert in French language and culture serves as guide throughout the program.

Here's a sample of your schedule. Your actual itinerary may vary slightly; it will be assigned by ISE in accordance with the family stay community. Daily activities will be chosen by the group leader(s).

You can find additional information on our website, www.isemn.org

We say that ISE programs are "where language matters." That's because we share your passion for language and culture. And it's the reason why language skills are an essential component of any ISE travel experience. Not all travel programs place this kind of emphasis on language, but we think it makes the entire experience abroad richer and more meaningful for students.

Once again, thank you for your interest in ISE. We look forward to working with you.
