

Dear Parent/Teacher/Student,

Thank you for inquiring about a travel program with ISE. We have an exciting adventure in Germany for your group. Welcome to the ultimate educational travel adventure.

For 40 years, ISE has helped students enjoy exciting, enriching, safe experiences all over the world with our travel groups. Your travels to Germany with ISE are designed and organized to immerse students in a new and different culture, give them a new perspective, and open up new possibilities in their lives.

Your group arrives in the legendary city of München. Then you will enjoy a family stay and spend days exploring the rich culture and history of Bavaria. You'll see everything, from museums and castles to contemporary German life.

Here's a sample of your schedule. Your actual itinerary may vary slightly; it will be assigned by ISE in accordance with the family stay community. Daily activities will be chosen by the group leader(s).

You can find additional information on our website, [www.isemn.org](http://www.isemn.org)

We say that ISE programs are "where language matters." That's because we share your passion for language and culture. And it's the reason why language skills are an essential component of any ISE travel experience. Not all travel programs place this kind of emphasis on language, but we think it makes the entire experience abroad richer and more meaningful for students.

Once again, thank you for your interest in ISE. We look forward to working with you.
