Dear Parent/Teacher/Student

Thank you for inquiring about a travel program with ISE. We have an exciting experience in Mexico for your group. Welcome to the ultimate educational travel adventure.

For 40 years, ISE has helped students enjoy exciting, enriching, safe experiences all over the world with our travel groups. Your travels to Mexico with ISE are designed and organized to immerse students in a new and different culture, give them a new perspective, and open up new possibilities in their lives.

Your experience begins by exploring the culture and history of Mexico City, from *museo* to *mercado* to *jardines flotantes*. Colonial Oaxaca awaits, where you'll enjoy tours of local artisan workshops. To top off an already amazing experience, enjoy the beaches of lovely Oaxaca before heading back to Mexico City. ISE staff guides who lead the program and manage the itinerary are experts in the Spanish language and Mexican culture.

Here's a sample of your schedule. Your actual itinerary may vary slightly; it will be assigned by ISE.

You can find additional information on our website, [www.isemn.org](http://www.isemn.org)

We say that ISE programs are "where language matters." That's because we share your passion for language and culture. And it's the reason why language skills are an essential component of any ISE travel experience. Not all travel programs place this kind of emphasis on language, but we think it makes the entire experience abroad richer and more meaningful for students.

Once again, thank you for your interest in ISE. We look forward to working with you.
