Dear Parent/Teacher/Student

Thank you for inquiring about a travel program with ISE. We have an exciting experience in Mexico for your group. Welcome to the ultimate educational travel adventure.

For 40 years, ISE has helped students enjoy exciting, enriching, safe experiences all over the world with our travel groups. Your travels to Mexico with ISE are designed and organized to immerse students in a new and different culture, give them a new perspective, and open up new possibilities in their lives.

You fly into Mexico City, and students whisk off to Cuernavaca for an unforgettable time with a *familia mexicana*. Discover the sights of Taxco, and the pyramids of Teotihuacan. Then the group arrives on campus for a week of intensive Spanish classes at one of Mexico's premier language schools for a fantastic and fun learning opportunity; *Que Padre!*

Here's a sample of your schedule. Your actual itinerary may vary slightly; it will be assigned by ISE in accordance with the family stay community. Daily activities will be chosen by the group leader(s).

You can find additional information on our website, [www.isemn.org](http://www.isemn.org)

We say that ISE programs are "where language matters." That's because we share your passion for language and culture. And it's the reason why language skills are an essential component of any ISE travel experience. Not all travel programs place this kind of emphasis on language, but we think it makes the entire experience abroad richer and more meaningful for students.

Once again, thank you for your interest in ISE. We look forward to working with you.
