Dear Parent/Teacher/Student

Thank you for inquiring about a travel program with ISE. We have an exciting experience in Peru for your group. Welcome to the ultimate educational travel adventure.

For 40 years, ISE has helped students enjoy exciting, enriching, safe experiences all over the world with our travel groups. Your travels to Peru with ISE are designed and organized to immerse students in a new and different culture, give them a new perspective, and open up new possibilities in their lives.

You'll feel the magic of the land of the Inca as soon as you arrive in Lima. From there, you travel into the Andes to Cusco: archeological sites, cathedrals, and more. But the show-stopper is a ride along the Urubamba River to the ruins of Machu Picchu. Back in town, host families welcome students for a home stay. Later, the group will discover Puno and Lake Titicaca before returning to Lima. An expert in Spanish language and Peruvian culture serves as guide throughout the program.

Here's a sample of your schedule. Your actual itinerary may vary slightly; it will be assigned by ISE, in accordance with the family stay community.

You can find additional information on our website, [www.isemn.org](http://www.isemn.org)

We say that ISE programs are "where language matters." That's because we share your passion for language and culture. And it's the reason why language skills are an essential component of any ISE travel experience. Not all travel programs place this kind of emphasis on language, but we think it makes the entire experience abroad richer and more meaningful for students.

Once again, thank you for your interest in ISE. We look forward to working with you.
