Dear Parent/Teacher/Student

Thank you for inquiring about a travel program with ISE. We have an exciting experience in Puerto Rico for your group. Welcome to the ultimate educational travel adventure.

For 40 years, ISE has helped students enjoy exciting, enriching, safe experiences all over the world with our travel groups. Your travels to Puerto Rico with ISE are designed and organized to immerse students in a new and different culture, give them a new perspective, and open up new possibilities in their lives.

Puerto Rico has everything – old cities, new cities, mountains, beaches, and wonderful people. You'll fly into San Juan, explore the sights, and then visit the lush El Yunque Rainforest. You'll enjoy a snorkeling trip and night kayaking in a bioluminescent bay. You continue on to Ponce, visit to an historic coffee plantation and a *clase de salsa*, before returning to San Juan. An expert in Spanish language and Puerto Rican culture serves as guide throughout the program.

Here's a sample of your schedule. Your actual itinerary may vary slightly; it will be assigned by ISE.

You can find additional information on our website, www.isemn.org

We say that ISE programs are "where language matters." That's because we share your passion for language and culture. And it's the reason why language skills are an essential component of any ISE travel experience. Not all travel programs place this kind of emphasis on language, but we think it makes the entire experience abroad richer and more meaningful for students.

Once again, thank you for your interest in ISE. We look forward to working with you.
